LATEST NEWS

• Thank you to all who attended the 2018 NeHII Annual Meeting yesterday! It was our privilege to have Thomas Novak, Medicaid Interoperability Lead, Office of Policy, ONC/HHS as the keynote speaker and to have Dr. Matthew Van Patton, Director of the Division of Medicaid and Long-Term Care give a well-received presentation at the event.
• Kevin Borcher participated in the Opioid Coalition hosted by Doug Peterson, Nebraska Attorney General and Dr. Jeffrey Gold, Chancellor of UNMC and UNO.
• Kari Majors, Kevin Borcher and Vineeth Yeddula presented at the NNFA/NALA/LPNAN 2018 Fall Convention on September 19. Their topic was “NeHII’s Role in Transitions of Care.”
• The Search Medication History link within the HIE has been moved to the left!

PDMP FACTS

• Jaime Bland, Kevin Borcher and Amy Plants-Novich met with DHHS and DrFirst representatives for their quarterly meeting to review the status of the PDMP and future enhancements for 2019.
• There are currently 6,891 prescribers and pharmacists provisioned to access the Prescription Drug Monitoring Program (PDMP).
• As of June 30, 38.2% of prescribers and pharmacists licensed in Nebraska with an address in Nebraska, Kansas, Missouri, Iowa, South Dakota, Wyoming and Colorado have been provisioned to the PDMP, which exceeds the DHHS goal of 30%.
• As of August 31, the PDMP has collected 20,989,152 prescriptions in 2018.

NEHII STATISTICS

• Number of lives in the Community Patient Profile (CPP):
  3,744,795
• Total HIE Provisioned Users: 11,310
